Subject: Declaration of Product Equivalence

To Whom It May Concern:

AVPro Global Holdings hereby declares the devices carrying UL Listing E470499 with the following model designators to be electrically equivalent in the customer product in the following areas:

Original Manufacturer	
Trademark	Model designator
AVPro Global Holdings	RTI-AMP-2-125(D)*
AVPro Global Holdings	RTI-AMP-4-125(D)*
AVPro Global Holdings	RTI-AMP-8-125(D)*
* (D) suffix notates DANTE equipped variant	

- Wi-Fi transceiver
 - FCC ID 2AC7Z-ESP32WROVERE
 - IC 21098-ESPWROVERE
 - CE report B20040710

The equivalence declaration asserts that the portions of the mentioned devices identified above are identical to the of the reference devices, in that they share:

- Identical circuit design and topology.
- Identical electrical components (including the antenna).
- Identical physical layout.
- Identical factory tuning and configuration.
- Identical physical characteristics of the PC Boards and Housing.

Therefore, the test data already collected for the reference device as contained in Attestation of Conformity no. 121-33873-A1 and 121-33873-A2 can be re-used and leveraged for these device's certification.

Sincerely,

Sam Metivier
Director of AVPro Edge Systems Group
AVPro Global Holdings
